Habitat for Humanity

Dear Sir/Madam:

We are pleased to announce that the 15th Annual Robert J. LeFloch Memorial Golf Outing to benefit Habitat for Humanity and the Connecticut Building Congress Scholarship Fund will be held on 21 September 2010, at the Racebrook Country Club. Over the past fourteen years this event has raised over \$415,000 for these worthwhile charities. We are truly grateful to all of the past sponsors who have made this outing such an overwhelming success!

Of the many great sponsorship opportunities, we are especially excited about what this year's Diamond, Gold and Silver Sponsors will receive. This year's Diamond Sponsor will have its company's logo prominently displayed on a gift to be given to each golfer, and will receive two (2) foursomes to the tournament, eight (8) \$100 gift certificates to the Racebrook Pro Shop and a gift certificate for a foursome at the Racebrook. All Gold Sponsors will have their company's logo on a golf towel, and will also receive four (4) \$100 gift certificates to the Racebrook Pro Shop. And, all Silver Sponsors will receive four (4) \$50 gift certificates to the Racebrook Pro Shop.

The outing provides excellent opportunities for networking and exposure in addition to supporting our worthwhile charities. The attendees are a diverse cross-section of the construction industry including owners, architects, engineers, contractors, suppliers and service providers.

Once again, this year's event will be an 18-hole shotgun and will include various contests, a barbeque lunch, door prizes, beer and wine and a buffet dinner followed by awards and raffle prizes.

The outing benefits two deserving organizations. Habitat for Humanity of Greater New Haven strives to eliminate poverty housing by building new homes and rehabilitating abandoned tax delinquent properties in partnership with low-income families. The Connecticut Building Congress Scholarship Fund supports young people in Connecticut who wish to pursue a higher education related to the building industry. CBC is an organization encompassing owners, developers, architects, engineers, contractors, suppliers and service providers who meet monthly to discuss mutual interests and business problems facing the construction industry.

We hope that you will join us at this year's event. Please consider taking advantage of this great opportunity today. We have included the sponsorship opportunities and registration forms for your convenience. Should you have any questions, please contact Jennifer Rook at Habitat for Humanity via phone at (203) 785-0794 or email at jrook@habitatgnh.org.

Thank you,

Thomas DiBlasi
