These consolidated financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized information has been derived from the financial statements of Habitat for Humanity of Greater New Haven, Inc., and subsidiary as of and for the year ended December 31, 2010 and in our report dated May 6, 2011, we expressed an unqualified opinion on those financial statements.

Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Habitat for Humanity of Greater New Haven, Inc and Subsidiary
Notes to Consolidated Financial Statements
For the Years Ended December 31, 2011 and 2010

1. Organization and Purpose

Habitat for Humanity of Greater New Haven, Inc. (Habitat) is a not-for-profit organization, incorporated in the State of Connecticut in 1986. Habitat is an affiliate of Habitat for Humanity International, Inc., a nondenominational Christian not-for-profit organization with affiliates worldwide that seeks to eliminate poverty housing and homelessness, and to make decent shelter a matter of conscience and action. Although Habitat for Humanity International assists with informational and fiscal resources, Habitat is primarily responsible for its own operations.

Habitat builds and renovates affordable homes in the Greater New Haven, Connecticut area, through volunteer labor and with the assistance of the future low income homeowner families. Future homeowners are required to contribute four hundred hours of their own labor into the building of their house as well as the houses of others. Habitat houses are sold to low income families at below cost, and financed by Habitat with no interest over twenty to thirty year terms. Habitat's program is funded through contributions, grants, and in-kind donations, from individuals, foundations, corporations, public agencies and religious organizations.

Habitat is exempt from federal income taxation under Section 501(a) as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Habitat is generally exempt from state and local taxes. No provision for income tax is recorded in the financial statements.

2. Summary of Significant Accounting Policies

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Habitat for Humanity of Greater New Haven, Inc., and its wholly owned subsidiary, 37 Union Ave., LLC. Habitat is the sole member of 37 Union Ave., LLC which was formed in October 2003 to acquire real property and lease it back to Habitat as office space. All material transactions and balances between the entities have been eliminated in the consolidation. 37 Union Ave., LLC is considered a disregarded entity for income tax purposes.

Basis of Accounting

Habitat prepares its consolidated financial statements on the accrual basis of accounting in accordance with accounting principals generally accepted in the United States of America. Under this basis, revenues are recognized when earned and expenses are recognized when the obligation is incurred.

Cash and Cash Equivalents

Habitat considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Investments

Investments are reported at fair value. Investment income is reported as an increase in unrestricted net assets unless a donor or law temporarily or permanently restricts its use.

Habitat for Humanity of Greater New Haven, Inc and Subsidiary
Notes to Consolidated Financial Statements
For the Years Ended December 31, 2011 and 2010

Mortgages Receivable

Mortgages receivable consist of non interest bearing mortgages, secured by real estate and payable in monthly installments over twenty to thirty year terms. The mortgages are discounted based upon prevailing market rates for low income housing at the inception of the mortgage. The discount is amortized on a straight-line basis over the term of the mortgage.

Because mortgages receivable are secured by real estate, and ultimately through the process of foreclosure, management believes that procedures will result in collection. Accordingly, no allowance for uncollectible accounts has been provided.

Building Inventory

Contributed inventory is recorded at fair market value on the date of receipt. Purchased inventory is recorded at the lower of cost or market determined by the specific identification method.

Construction in Progress

Construction in progress consists of the direct costs of acquiring land and property, holding costs, and construction and rehabilitation costs. When the corresponding homes are completed and transferred to homeowners these costs are expensed.

Property and Equipment

Equipment purchased or contributed in excess of \$500 is capitalized. Equipment is recorded at cost if purchased and if contributed, at fair market value on the contribution date. Depreciation is computed on a straight-line basis over the following useful lives:

Building and improvements	10 to 40 years
Vehicle and office and construction equipment	5 to 10 years
Furniture and fixtures	10 years

Net Assets

Habitat classifies its net assets, revenues and gains, and expenses as unrestricted or temporarily restricted on the absence or existence of donor-imposed restrictions. These classifications are defined as follows:

Unrestricted net assets represent available resources other than donor-restricted contributions.

Temporarily restricted net assets represent contributions that are restricted by the donor either as to purpose or as to time of expenditure.

Contributions

Unrestricted and unconditional contributions are recognized when received or pledged, if applicable. Contributions are reported as temporarily restricted if they are received with donor stipulations that limit the use of such assets. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities and changes in net assets as net assets released from restrictions. Habitat's policy is to present temporarily restricted net assets received during the year whose restrictions are met during the current year as unrestricted net assets.

Habitat for Humanity of Greater New Haven, Inc and Subsidiary
Notes to Consolidated Financial Statements
For the Years Ended December 31, 2011 and 2010

Habitat recognizes the expiration of donor restrictions on contributions of property and equipment or cash contributions restricted for property and equipment in the year the property and equipment is placed in service.

Grants

Entitlement to cost or performance based reimbursement grants is conditioned on the expenditure of funds or attainment of specific performance goals in accordance with the grant restrictions and, therefore, Habitat recognizes revenue to the extent of grant expenditures or performance achieved.

Contributed Services and Materials

Habitat recognizes contributed services if they require specialized skills and would typically be purchased if not provided by donation. For the years ended December 31, 2011 and 2010, Habitat valued contributed services at \$55,485 and \$12,400, respectively, and contributed materials at \$258,988 and \$247,521, respectively. Although a substantial number of volunteers have made significant contributions of their time, their services do not meet these criteria and are not recorded in the consolidated financial statements.

Transfers to Homeowners

Transfers to homeowners are recorded at the sales price of the home at closing. Habitat executes a Declaration of Resale Restrictions and a Quit-Claim Deed with each homeowner. These documents are attached to the land records.

Functional Allocation of Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the consolidated statement of activities and changes in net assets. Certain costs have been allocated among the programs and supporting services benefited.

Use of Estimates

Accounting principles generally accepted in the United States require management to make estimates and assumptions in preparing the consolidated financial statements. Actual results could vary from those estimates.

Reclassifications

Certain amounts as previously reported have been reclassified in order to be consistent with the current year presentations.

3. Contributions Receivable

Contributions receivable at December 31, 2011 and 2010 amounted to \$126,254 and \$134,445, respectively, and were due in less than one year. No allowance for uncollectible contributions was recorded.

Habitat recognizes conditional promises to give as a receivable only to the extent the condition has been satisfied. Habitat has been awarded conditional grants for the purchase of land and property and for building or rehabilitating houses. As of December 31, 2011 and 2010, conditional grants receivable amounted to \$76,000 and \$208,583, respectively, and is not recorded in the consolidated financial statements.

No liability for potential losses has been recorded.

14. Subsequent Events

Investment in Leverage Lender

On April 12, 2012 Habitat, along with four other Habitat for Humanity affiliates, invested in CCML Leverage I, LLC for the purpose of taking advantage of the New Markets Tax Credit (NMTC) program. The NMTC program provides tax credit incentives to investors who invest in low-income communities and is administered by the U.S. Treasury Department. Habitat's investment in CCML Leverage I, LLC totaled \$1,448,866 and represents a 20% ownership stake. The investment was comprised of cash in the amount of \$100,000 and construction in progress of \$1,348,866. As part of the arrangement, Habitat secured a 15 year loan in the amount of \$1,880,000 from CCM Community Development XVII, LLC which received the tax credit allocation. The loan proceeds are to be used solely for the purpose of constructing and selling qualified housing properties to low income residents. The loan will bear interest at a rate of .77076% per year and semi-annual payments of interest only are due in years 1 through 7 with fully amortizing semi-annual payments of principal and interest due in years 8 through 15. The cash proceeds from the transaction are secured by a UCC lien.

In connection with this arrangement, the members of CCML Leverage I, LLC have the option to buy back their affiliate's ownership interest. Exercise of this option will effectively allow Habitat to extinguish its debt owed to CCM Community Development XVII, LLC.

Mortgage

On March 20, 2012 Habitat entered into a mortgage agreement in the amount of \$159,000 with People's United Bank and satisfied their mortgage agreement with First Niagara Bank. The mortgage is secured by the related real estate. Principal and interest payments are calculated on a 240 month repayment schedule and are due in 120 monthly installments, currently in the amount of \$1,079 including interest at 5.25%. On April 20, 2017 the interest rate will be adjusted by adding 2% to the "People's United Bank Prime Rate". On March 20, 2022 one payment will be due of the remaining principal and interest in the amount of \$101,215. It is Habitat's intention to repay the mortgage evenly over a 10 year repayment schedule.

Line of Credit

On March 20, 2012 Habitat entered into a line of credit agreement with People's United Bank in the amount of \$73,000. Interest on outstanding balances is calculated daily by adding 2% to the "People's United Bank Prime Rate". The line is secured by the business assets and a second mortgage on the property at 37 Union Street, New Haven, CT.

Subsequent events were evaluated through May 21, 2012, the date the financial statements were available to be issued.

This financial statement is the responsibility of Habitat for Humanity of Greater New Haven, Inc.'s management. Our responsibility is to express an opinion on the financial statement of the program based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; and *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the schedule of expenditures of the Federal Awards administered through the City of New Haven referred to above presents fairly, in all material respects, the expenditures of federal awards under the City of New Haven's Programs in accordance with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 17, 2012 on our consideration of Habitat for Humanity of Greater New Haven, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

COMPLIANCE IN ACCORDANCE WITH THE PROGRAM SPECIFIC AUDIT
OPTION UNDER OMB CIRCULAR A-133 AS REQUIRED BY THE CITY
OF NEW HAVEN

To the Board of Directors
Habitat for Humanity of Greater New Haven, Inc
New Haven, Connecticut

Compliance:

We have audited the compliance of Habitat for Humanity of Greater New Haven, Inc. with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to the City of New Haven's grant programs for the year ended December 31, 2011. Habitat for Humanity of Greater New Haven, Inc., specific major federal award programs is identified in the summary of auditor's result section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to the City of New Haven's grant programs is the responsibility of Habitat for Humanity of Greater New Haven, Inc.'s management. Our responsibility is to express an opinion on Habitat for Humanity of Greater New Haven, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Government, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on the grant programs occurred. An audit includes examining, on a test basis, evidence about Habitat for Humanity of Greater New Haven, Inc.'s compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Habitat for Humanity of Greater New Haven, Inc.'s compliance with those requirements.

In our opinion, Habitat for Humanity of Greater New Haven, Inc. complied, in all material respects, with the requirements referred to above that are applicable to the City of New Haven's grant programs for the year ended December 31, 2011.

Internal Control Over Compliance:

The management of Habitat for Humanity of Greater New Haven, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to the City of New Haven’s grant programs. In planning and performing our audit, we considered Habitat for Humanity of Greater New Haven, Inc.’s internal control over compliance with requirements that could have a direct and material effect on the City of New Haven’s grant programs in order to determine our auditing procedures for the purpose of expressing our opinion on compliance but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Habitat for Humanity of Greater New Haven, Inc.’s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

The report is intended solely for the information and use of the board of directors and management of the Organization, and the City of New Haven and is not intended to be and should not be used by anyone other than these specified parties.
