Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

Notes to Consolidated Financial Statements
For the Years Ended December 31, 2014 and 2013

1. Organization and Purpose

Habitat for Humanity of Greater New Haven, Inc. (Habitat) is a not-for-profit organization, incorporated in the State of Connecticut in 1986. Habitat is an affiliate of Habitat for Humanity International, Inc., a nondenominational Christian not-for-profit organization with affiliates worldwide that seeks to eliminate poverty housing and homelessness, and to make decent shelter a matter of conscience and action. Although Habitat for Humanity International assists with informational and fiscal resources, Habitat is primarily responsible for its own operations.

Habitat builds and renovates affordable homes in the Greater New Haven, Connecticut area, through volunteer labor and with the assistance of the future low income homeowner families. Future homeowners are required to contribute four hundred hours of their own labor into the building of their house as well as the houses of others. Habitat houses are sold to low income families at below cost, and financed by Habitat with no interest over a twenty five year term. Habitat's program is funded through contributions, grants, and in-kind donations, from individuals, foundations, corporations, public agencies and religious organizations.

Habitat is exempt from federal income taxation under Section 501(a) as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Habitat is generally exempt from state and local taxes. No provision for income tax is recorded in the financial statements.

2. Summary of Significant Accounting Policies

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Habitat for Humanity of Greater New Haven, Inc., and its wholly owned subsidiary, 37 Union Ave., LLC. Habitat is the sole member of 37 Union Ave., LLC which was formed in October 2003 to acquire real property and lease it back to Habitat as office space. All material transactions and balances between the entities have been eliminated in the consolidation. 37 Union Ave., LLC is considered a disregarded entity for income tax purposes.

Basis of Accounting

Habitat prepares its consolidated financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under this basis, revenues are recognized when earned and expenses are recognized when the obligation is incurred.

Cash and Cash Equivalents

Habitat considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Investments

Investments are reported at fair value. Investment income is reported as an increase in unrestricted net assets unless a donor or law temporarily or permanently restricts its use.

Habitat for Humanity of Greater New Haven, Inc and Subsidiary
Notes to Consolidated Financial Statements
For the Years Ended December 31, 2014 and 2013

Mortgages Receivable

Mortgages receivable consist of non-interest bearing mortgages, secured by real estate and payable in monthly installments over twenty five to thirty year terms. The mortgages are discounted based upon prevailing market rates for low income housing at the inception of the mortgage. The discount is amortized on a straight-line basis over the term of the mortgage.

Because mortgages receivable are secured by real estate, and ultimately through the process of foreclosure, management believes that procedures will result in collection. Accordingly, no allowance for uncollectible accounts has been provided.

Building Inventory

Contributed inventory is recorded at fair market value on the date of receipt. Purchased inventory is recorded at the lower of cost or market determined by the specific identification method.

Construction in Progress

Construction in progress consists of in-kind donations and the direct costs of acquiring land and property, holding costs, and construction and rehabilitation costs. When the corresponding homes are completed and transferred to homeowners these costs are expensed.

Property and Equipment

Equipment purchased or contributed in excess of \$500 is capitalized. Equipment is recorded at cost, if purchased and fair market value, if contributed. Depreciation is computed on a straight-line basis over the following useful lives:

Building and improvements	10 to 40 years
Vehicles, office and construction equipment	5 to 10 years
Furniture and fixtures	10 years
Leasehold improvements	8 years

Properties Held for Sale

Donated properties not intended for building are recorded at fair market value at the time of donation as properties held for sale. Any legal or holding costs associated with properties held for sale are capitalized.

Net Assets

Habitat classifies its net assets, revenues and gains, and expenses as unrestricted or temporarily restricted on the absence or existence of donor-imposed restrictions. These classifications are defined as follows:

Unrestricted net assets represent available resources other than donor-restricted contributions.

Temporarily restricted net assets represent contributions that are restricted by the donor either as to purpose or as to time of expenditure.

Contributions

Unrestricted and unconditional contributions are recognized when received or pledged. Contributions are reported as temporarily restricted if they are received with donor stipulations that limit the use of such assets. When a restriction expires, temporarily restricted net assets are

Habitat for Humanity of Greater New Haven, Inc and Subsidiary
Notes to Consolidated Financial Statements
For the Years Ended December 31, 2014 and 2013

reclassified to unrestricted net assets and reported in the consolidated statement of activities and changes in net assets as net assets released from restrictions. Habitat's policy is to present temporarily restricted net assets received and restrictions met during the current year as unrestricted net assets. Habitat recognizes the expiration of donor restrictions on contributions of property and equipment or contributions restricted for property and equipment in the year the property and equipment is placed in service.

Grants

Entitlement to cost or performance based reimbursement grants is conditioned on the expenditure of funds or attainment of specific performance goals in accordance with the grant restrictions and, therefore, Habitat recognizes revenue to the extent of grant expenditures or performance achieved.

Contributed Services and Materials

Habitat recognizes contributed services if they require specialized skills and would typically be purchased if not provided by donation. For the years ended December 31, 2014 and 2013, Habitat valued contributed services at \$40,924 and \$65,304, respectively, and contributed materials at \$159,336 and \$78,073, respectively. Although a substantial number of volunteers have made significant contributions of their time, their services do not meet these criteria and are not recorded in the consolidated financial statements.

Transfers to Homeowners

Transfers to homeowners are recorded at the sales price of the home at closing. Habitat executes a Declaration of Resale Restrictions and a Quit-Claim Deed with each homeowner. These documents are attached to the land records.

Functional Allocation of Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the consolidated statement of activities and changes in net assets. Certain costs have been allocated among the programs and supporting services benefited.

Use of Estimates

Accounting principles generally accepted in the United States require management to make estimates and assumptions in preparing the consolidated financial statements. Actual results could vary from those estimates.

Reclassifications

Certain amounts as previously reported have been reclassified in order to be consistent with the current year presentations.

3. Investments

On April 12, 2012 Habitat, along with four other Habitat for Humanity affiliates, invested in CCML Leverage I, LLC for the purpose of taking advantage of the New Markets Tax Credit (NMTC) program. The NMTC program provides tax credit incentives to investors who invest in low-income communities and is administered by the U.S. Treasury Department. Habitat's investment in CCML Leverage I, LLC totaled \$1,448,866 representing a 20% ownership stake. The investment was comprised of cash in the amount of \$100,000 and construction in progress of \$1,348,866. As part

13. Transactions with Habitat for Humanity International

Habitat annually tithes a portion of its contributions to Habitat for Humanity International (HfHI) which uses the funds exclusively to construct homes in economically depressed areas around the world.

The fee is used to offset a portion of the costs associated with HfHI's efforts that benefit all affiliates such as brand protection and promotion, regulatory advocacy and gifts in-kind solicitation.

Total contributions to HfHI for the years ended December 31, 2014 and 2013 were \$19,310 and \$8,600, respectively. As of December 31, 2014, \$16,810 is included in accounts payable and accrued expenses.

As of December 31, 2014, Habitat is secondarily liable to CHFA for \$528,503, equal to the total scheduled payments on the mortgages through 2034. Habitat's management believes that the fair value of the collateralized real estate exceeds the amount of the debt obligation and doesn't anticipate significant losses. No liability for potential losses has been recorded.

Report on Compliance for Each Major Federal Program

We have audited Habitat for Humanity of Greater New Haven, Inc.'s, (a nonprofit corporation), compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that are applicable to the City of New Haven's grant programs and that could have a direct and material effect on each of its major federal program for the year ended December 31, 2014. The Habitat for Humanity of Greater New Haven, Inc's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs administered through the City of New Haven..

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Habitat for Humanity of Greater New Haven, Inc.'s, major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Habitat for Humanity of Greater New Haven, Inc.'s, compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Habitat for Humanity of Greater New Haven, Inc.'s, compliance.

Opinion on Each Major Federal Program

In our opinion, Habitat for Humanity of Greater New Haven, Inc., complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs administered through the city of New Haven for the year ended December 31, 2014.

Report on Internal Control Over Compliance

Management of Habitat for Humanity of Greater New Haven, Inc., is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Habitat for Humanity of Greater New Haven, Inc.'s, internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Habitat for Humanity of Greater New Haven, Inc.'s, internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

We have audited the financial statements of Habitat for Humanity of Greater New Haven, Inc., as of and for the year ended December 31, 2014, and have issued our report thereon dated June 16, 2015, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards administered through the City of New Haven is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards administered through the City of New Haven is fairly stated in all material respects in relation to the financial statements as a whole.
