BENEFITING AMITY TEEN CENTER & SLEEPING GIANT BUILD

In response to popular demand, the Amity Teen Center and Habitat for Humanity of Greater New Haven/Sleeping Giant Build are sponsoring the 2020 Construction Couture Spectacular. The contestants' outfits must feature building materials, tools, and supplies to recognize the many treasures that have been essential to building Habitat homes.

Proceeds from the 2020 Construction Couture Spectacular will support both the Amity Teen Center and Sleeping Giant Build. The Amity Teen Center is raising funds toward scholarships for its "Life After High School" summer program while Sleeping Giant Build is raising funds toward its 12th Habitat for Humanity Home.

Teresa Nakouzi, Mrs. Connecticut America 2018, will emcee the event and a panel of esteemed guest judges will choose the winning outfits. The evening will include a dessert bar and maybe even a surprise guest.
