

Habitat Homebuyers Program

Habitat for Humanity of Greater New Haven

October 2020

Our History

*Our office at
37 Union Street, New Haven*

- ❖ Habitat for Humanity of Greater New Haven was founded in 1986 and is an affiliate of Habitat for Humanity International.
- ❖ We are 1 of 8 affiliates in Connecticut.
- ❖ We serve all of New Haven County.
- ❖ In the past 34 years, we have built or rehabbed over 120 homes in the Greater New Haven area.
- ❖ We plan to build at least four homes in the coming year.

Our History

*286 So. Colony Road,
Wallingford*

- ❖ We opened the New Haven County ReStore in Wallingford in June 2013.
- ❖ The ReStore sells new and gently used furniture, appliances, lighting, and building materials.
- ❖ Proceeds from sales support Habitat building projects.
- ❖ Anyone can shop at or donate to the ReStore!

How We Operate

- ❖ We do both new construction and rehabs. We acquire property from various sources, such as the City of New Haven and through private sales.

55 Redfield Street, New Haven

*387 Lenox Street, New Haven
(before & after)*

- ❖ We have also built homes in Hamden and Wallingford.

How We Operate

- ❖ Our financial support comes from individuals, corporations, businesses, religious organizations, charitable foundations, and the City of New Haven. In-kind donations are also accepted.

United Bank volunteers

Albertus Magnus volunteers

- ❖ We also have two community-based house sponsor groups:
 - ❖ Raise the Roof
 - ❖ Sleeping Giant Build

How We Operate

- ❖ Volunteers and partner families help to build and rehab homes under guidance from our construction staff.
- ❖ Licensed trade work (plumbing, electrical, and roofing) is done by professionals in those fields.
- ❖ It takes an average of six months to complete a new construction home; rehabs take longer and are more costly.
- ❖ Habitat makes no profit from the sale of homes.
